## Your Impact on Survivors

At Serious Fun, we gather to celebrate and learn more about Human Options' life-saving work, come together as a community, and honor those who serve our organization.

But we also have a vital mission to raise critical funds so that survivors and their families can access the services they need. Your contributions to our gala help ensure that Human Options remains Orange County's leading safe haven for survivors. **The impact you make is real and helps survivors transform their lives and break the cycle of violence.**

**1:3 women & 1:4 men in the U.S. have experienced intimate partner violence or abuse.**

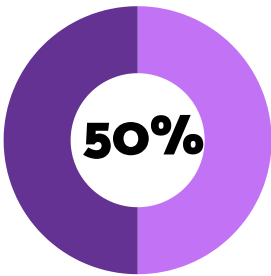

**1,371 clients participated in direct services last year.**

**24-HOUR HOTLINE: 877.854.3594**

**93% of children and adults found housing upon exiting our shelter.**

**50%**  
of calls to report domestic violence are made by children.

**93% of law enforcement feel better prepared to recognize DV after participating in prevention training.**

**6,700**  
Human Options advocates responded to over 6,700 calls for help last year.
