### KEYNOTE SPEAKER

## APRIL HERNANDEZ CASTILLO

As we shine the light on teens overcoming relationship violence, we're honored to welcome our keynote speaker, April Hernandez Castillo. April is an author, actress, and speaker whose powerful memoir, *Embracing Me*, chronicles her journey as a teen survivor of intimate partner violence through resilience, courage, and transformation. From the streets of the Bronx to celebrated roles in *Freedom Writers* and *Dexter*, April is a voice for survivors everywhere, reminding us that we have the power to rewrite our story. She takes the audience behind the scenes to the most intimate parts of her life and uses her voice and humor to ignite, empower, and educate her audience.

## OUR MISSION

To ignite social change by educating OrangeCounty to recognize relationship violence as an issue that threatens everyone, advocating for those affected by abuse, extending a safe place for victims and empowering survivors on their journey of healing.
