Dear Friends and Supporters,

We invite you to join us on **Friday, October 16, 2026**, for Human Options' Annual Fall Luncheon at the Lido House, Autograph Collection in Newport Beach.

This year's luncheon will focus on recognizing the warning signs of relationship violence and fostering a community where everyone plays a role in promoting safety, support, and prevention. We are honored to welcome **Debra and Terra Newell**, whose remarkable journey of survival and resilience inspired the hit podcast and television series *Dirty John*. Through a powerful fireside chat moderated by Steve Churm, they will help audiences identify red flags, understand the importance of intervention, and find courage in adversity. Their message is both empowering and inspiring, reminding us that awareness and action can save lives.

Your support can help address and prevent relationship violence. We invite you to stand beside survivors during Domestic Violence Awareness Month by considering the enclosed sponsorship and underwriting opportunities. **To receive full recognition in our event invitation, please return the Sponsorship & Underwriting Form by August 21.**

Please reach out to Jonathan Forbes, Senior Development Director, at jforbes@humanoptions.org or 949.259.0280 with any questions.

Thank you for considering this opportunity to impact survivors and their families. Together, we can build a safer and stronger community.

With gratitude,

Maricela Rios-Faust
